## Item 1. Security and Issuer

This Amendment No. 3 ("Amendment No. 3") to Schedule 13D supplements and amends the Statement on Schedule 13D of OrbiMed Advisors LLC and OrbiMed Capital GP V LLC (the "Statement") originally filed with the Securities and Exchange Commission (the "SEC") on March 27, 2017, as amended by Amendment No. 1 thereto filed with the SEC on July 2, 2018, and Amendment No. 2 thereto filed with the SEC on November 12, 2020. This Statement relates to the common stock, par value \$0.0001 per share (the "Shares"), of Aadi Bioscience, Inc. (f/k/a Aerpio Pharmaceuticals, Inc.), a corporation organized under the laws of Delaware (the "Issuer"), with its principal executive offices located at 17383 Sunset Boulevard, Suite A250, Pacific Palisades, California 90272. The Shares are listed on the NASDAQ Capital Market under the ticker symbol "AADI." Information given in response to each item shall be deemed incorporated by reference in all other items, as applicable.

On August 26, 2021, the Issuer completed its business combination with Aadi Subsidiary, Inc. (formerly known as Aadi Bioscience, Inc.) ("Aadi"), in accordance with the terms of the Agreement and Plan of Merger and Reorganization, dated May 16, 2021, by and among the Issuer, Aspen Merger Subsidiary, Inc., and Aadi, pursuant to which Aadi survived as a wholly owned subsidiary of the Issuer (the "Merger"). In connection with and immediately prior to the effective time of the Merger, the Issuer effected a reverse stock split of the Shares, at a ratio of 15:1 (the "Reverse Stock Split"), and changed its name from "Aerpio Pharmaceuticals, Inc." to "Aadi Bioscience, Inc."

This Amendment No. 3 is being filed to report that the beneficial ownership of the outstanding Shares held by the Reporting Persons was reduced by more than 1% since the last filing, and the Reporting Persons ceased to own more than 5% of the Shares, following the Reverse Stock Split.

## Item 2. Identity and Background

---

#### **Item 4. Purpose of Transaction**

The Shares were initially acquired by the Reporting Persons for the purpose of making an investment in the Issuer and not for the intention of acquiring control of the Issuer's business on behalf of OPI V.

The Reporting Persons from time to time intend to review their investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's Shares in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time. If the Reporting Persons believe that further investment in the Issuer is attractive, whether because of the market price of the Shares or otherwise, they may acquire Shares or other securities of the Issuer either in the open market or in privately negotiated transactions. Similarly, depending on market and other factors, the Reporting Persons may determine to dispose of some or all of the Shares currently owned by the Reporting Persons or otherwise acquired by the Reporting Persons either in the open market or in privately negotiated transactions.

Except as set forth in this Statement, the Reporting Persons have not formulated any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries, (c) a sale or transfer of a material amount of the assets of the Issuer or any of its subsidiaries, (d) any change in the present Board of Directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the Issuer's capitalization or dividend policy of the Issuer, (f) any other material change in the Issuer's business or corporate structure, (g) any change in the Issuer's charter or bylaws or other instrument corresponding thereto or other action which may impede the acquisition of control of the Issuer by any person, (h) causing a class of the Issuer's securities to be deregistered or delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act or (j) any action similar to any of those enumerated above.

#### **Item 5. Interest in Securities of the Issuer**

(a) — (b) As of the date of this filing, the Reporting Persons may be deemed, for purposes of Rule 13d-3 of the Act, directly or indirectly, including by reason of their mutual affiliation, to be the beneficial owners of 346,262 Shares held of record by OPI V. Based upon information contained in the Issuer's periodic report on Form 8-K, filed with the SEC on August 27, 2021, such Shares constitutes approximately 1.7% of the issued and outstanding Shares. OrbiMed Advisors, pursuant to its authority as the managing member of GP V, which is the general partner of OPI V, may be deemed to indirectly beneficially own the Shares held by OPI V. GP V, pursuant to its authority as the general partner of OPI V, may be deemed to indirectly beneficially own the Shares held by OPI V. As a result, OrbiMed Advisors and GP V share the power to direct the vote and the disposition of the Shares held of record by OPI V. OrbiMed Advisors exercises this investment and voting power through a management committee comprised of Carl L. Gordon, Sven H. Borho, and W. Carter Neild, each of whom disclaims beneficial ownership of the Shares held by OPI V.

(c) The Reporting Persons has not effected any transaction during the past sixty (60) days in any Shares.

(d) Not applicable.

(e) As of August 26, 2021, the Reporting Persons ceased to beneficially own more than 5% of the Shares.

#### **Item 6. Contracts, Arrangements, Understandings or Relationship with Respect to Securities of the Issuer**

In addition to the relationships between the Reporting Persons described in Items 2, 3, and 5 above, GP V is the general partner of OPI V, pursuant to the terms of the limited partnership agreement of OPI V. OrbiMed Advisors is the managing member of GP V, pursuant to the terms of the limited liability company agreement of GP V. Pursuant to these agreements and relationships, OrbiMed Advisors and GP V have discretionary investment management authority with respect to the assets of OPI V. Such authority includes the power of GP V and OrbiMed Advisors to vote and otherwise dispose of securities purchased by OPI V. The number of outstanding Shares held of record by OPI V is 346,262. ## ***Registration Rights Agreement***

OPI V and certain other former stockholders of the Issuer are party to a registration rights agreement with the Issuer (the “Registration Rights Agreement”), dated as of March 15, 2017. Pursuant to the Registration Rights Agreement and subject to the terms and conditions therein, the parties agreed that:

### ***Demand Registration Rights***

The holders of 30% majority of the shares covered by the Registration Rights Agreement, or their transferees, can, on not more than two occasions, request that the Issuer register all or a portion of their shares. The Issuer will not be required to effect a demand registration during the period that is 60 days before the Issuer’s good faith estimate of the date of filing of, and ending on a date that is 180 days after the effective date of, a company-initiated registration statement relating to an initial public offering of its securities, provided that the Issuer is actively employing in good faith commercially reasonable efforts to cause such registration statement to become effective.

### ***Piggyback Registration Rights***

The Registration Rights Agreement further provides that, in the event that the Issuer determines to register any of its securities under the Securities Act of 1933, as amended (the “Securities Act”), either for its own account or for the account of other security holders, the stockholders who are party to the Registration Rights Agreement, including OPI V, will be entitled to certain “piggyback” registration rights allowing the holders to include their shares in such registration, subject to certain marketing and other limitations.

### ***Form S-3 Registration Rights***

At any time when the Issuer is eligible to use a Form S-3 registration statement, the holders of at least 20% of the shares covered by the Registration Rights Agreement or their transferees, can request that the Issuer register all or a portion of their shares on Form S-3. The Issuer will not be required to effect a demand registration during the period that is 30 days before the Issuer’s good faith estimate of the date of filing of, and ending on a date that is 90 days after the effective date of, a company-initiated registration of its securities, provided that the Issuer is actively employing in good faith commercially reasonable efforts to cause such registration statement to become effective. In addition, the Issuer shall not be required to file more than two registrations on Form S-3 in any twelve-month period.

### ***Termination of Registration Rights.***

OPI V’s demand, Form S-3 and piggyback registration rights described above generally will terminate upon the earlier of: (i) the sale of all or substantially all of the assets of the Issuer on a consolidated basis to an unrelated person or entity, (ii) a merger, reorganization or consolidation pursuant to which the holders of the Issuer’s outstanding voting power and outstanding stock immediately prior to such transaction do not own a majority of the outstanding voting power and outstanding stock or other equity interests of the resulting or successor entity immediately upon completion of such transaction, (iii) the sale of all or substantially all of the Issuer’s assets or property to an unrelated person, entity or group, (iv) any other transaction in which the owners of the Issuer’s outstanding voting power immediately prior to such transaction do not own at least a majority of the outstanding voting power of the Issuer or any successor entity immediately upon completion of the transaction other than as a result of the acquisition of securities directly from the Issuer, or (v) such time as all of the shares of the Issuer held by OPI V may be sold without any restriction on volume or manner of sale in any three-month period pursuant to Rule 144 (or another similar exemption) under the Securities Act.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a copy of which is filed as Exhibit 2 and incorporated herein by reference.
